The spectacular Admiral King Stage Band!

The Kingsmen on Tour

This year the A.K.H.S. stage band, under the supervision of William Sprull, made a trip to Toronto, Canada. They stayed at the world's largest Holiday Inn, and played at the Museum Casalama.

After their return from Canada they went on to Fort Wayne, Indiana to compete in the Elmhurst Jazz Contest. The stage band came in fifth place out of a possible twenty bands in the contest. Even though the stageband did not place high enough for a band award, there was an award given to Scott Bakalar. Scott came home with the best jazz guitar soloist award. The stageband then played its final concert the Sunday after the Fort Wayne trip.

Teams From the Past

Admiral King Students have always made spectacular showings on Academic Challenge. In 1971, A.K. students Penny Wegner, Paul Genger, and captain Charles Libicki took second place on the show. In 1973, captain Jay Ferguson led team members Neil Brumback and Melissa McFarland to a first place victory. 1974 saw Neil Brumback come back as captain with Shan Libicki and Maryann Janosik to win the top spot for King. In 1975, the team of Micheal Goodman, captain, Joel Margolis and John Stamatis won another first place. In 1976, Micheal Goodman returned as captain with John Stamatis returning as team members. Walter Quan completed the team who won King's fourth 1st place victory. This year's team won a fifth 1st place and a Random House Encyclopedia for the library. We are proud to say that judging from our Academic Challenge teams, academics have shaped our lives.

Gary Krause's 36-yard field goal with no time left on the clock gave Admiral King a 9-6 win over Southview last night and first year coach Fred Churchill near heart failure.

"I SHOULD be used to things like that," Churchill, who had head coaching positions at St. Procopius College in Illinois, Brookside and Rocky River said. "We work on every conceivable two-minute situation you can get, all the time. But I'm still used to it."

"I've never gone through like this before," he said. "There were so many ups and downs the game could have gone either way yet we never gave up."

After the game, Churchill said King's coaches in 2 years at Avon Lake.

Admirals Reach "Sweet 16" Again

Try, Try Again! The Admirals reached the regionals at Kent State for the second year in a row, and fourth time in eight years with Mitch Gillam at the helm. Unfortunately, the Admirals were stopped by Cleveland Glenville, 49-40. The Admirals had built on an admirable six game winning streak since a loss at Sandusky. Glenville had a definite height advantage, and combined with a poor shooting first half. King fought back to within five before time expired, with the Admirals on the short end. The Seniors of "The Class of 79" would like to wish the best of luck to Mitch Gillam and the returning letterman in reaching Kent State again next year.

In Dedication

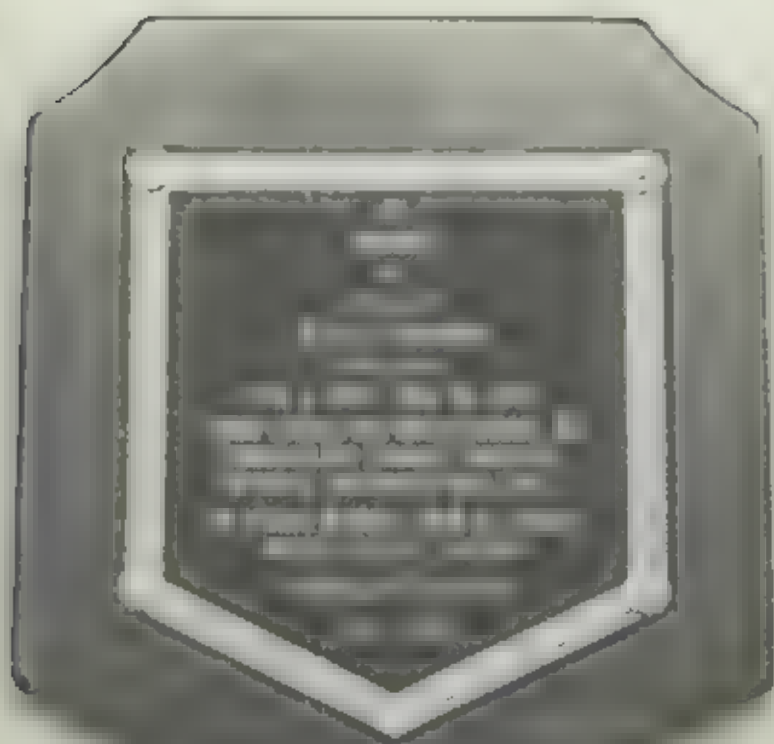

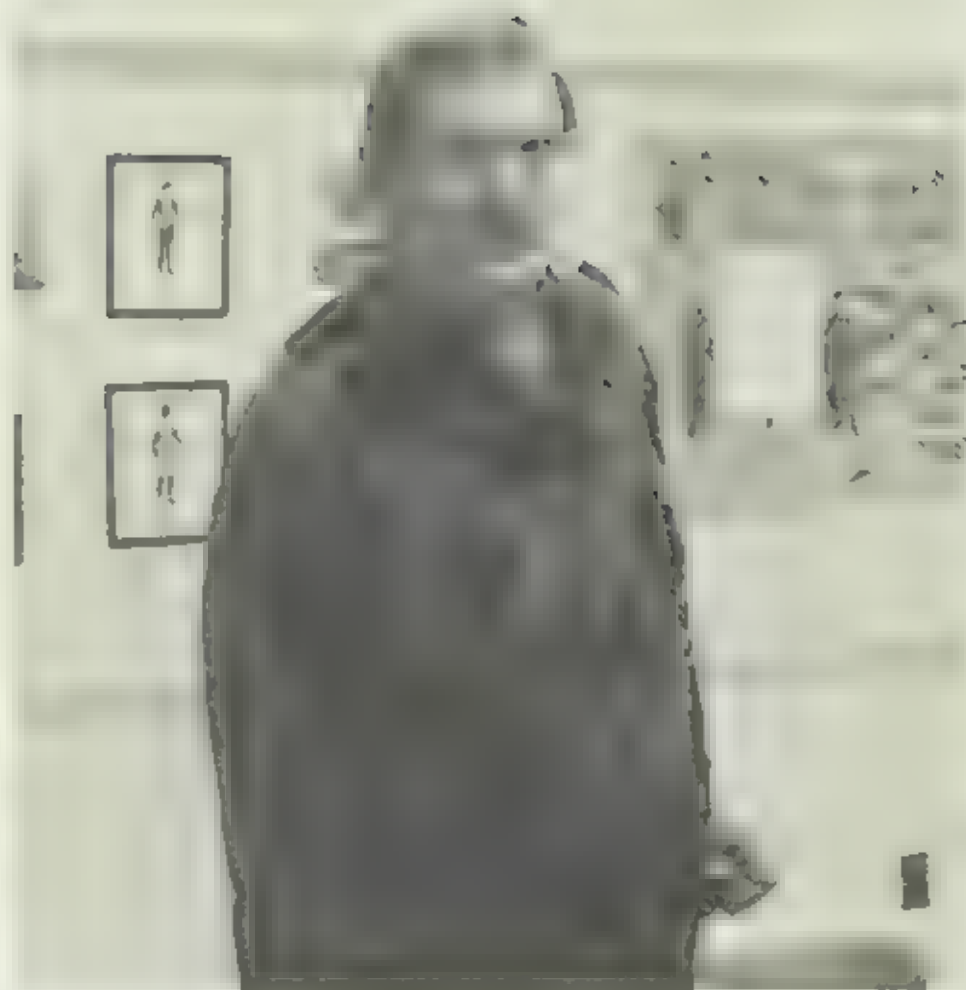

For years the warmth and hospitality of Larimer Kinnear were a source of stimulation for the students of Mt. Kisco Institute. When the school first opened its doors, the students were welcomed by Mr. Larimer, who was there to guide those students who came his way.

Mr. Latham, however, was not so satisfied with the work of the team. He suggested that they should be put to a more severe test, and that they should be made to work for a longer period of time. He was more than a little disappointed with the results of the first trial, and he was determined to see that the team was properly trained for the work they were to do. He was, however, very kind and considerate, and he was always ready to listen to the suggestions of his subordinates. He was a very good manager, and he was always ready to do what was best for the team. He was a very good friend, and he was always ready to help his subordinates in any way that he could. He was a very good leader, and he was always ready to lead his team to victory. He was a very good man, and he was always ready to do what was right. He was a very good person, and he was always ready to be a good friend to his subordinates. He was a very good man, and he was always ready to do what was right. He was a very good person, and he was always ready to be a good friend to his subordinates.

Since that first day back in 1961 when King opened its doors, Mr. Lammore provided a genuine and sincere love for his students.

What he had to offer can never be taken away. If it were possible to give Mr. Lammore leave one wish, I would like to say it would be that you remember him not just in your eye but with a glow in your heart. I hope to seek that which he offered - a sound education based on Truth and Love.

Dear Friends of Keith Lammore

We are very proud to dedicate a plaque to the man who called himself a teacher. In 1961, when King opened its doors, Mr. Lammore provided a genuine and sincere love for his students. What he had to offer can never be taken away. If it were possible to give Mr. Lammore leave one wish, I would like to say it would be that you remember him not just in your eye but with a glow in your heart. I hope to seek that which he offered - a sound education based on Truth and Love.

In memory of a man who was not forgotten by his students, but by his friends and family.

SENIOR ATHLETES

Varsity Football

Pete Iwanski — "A lot of things happened through the season, but despite the incidents we still held together as a family."

Mario Fourquaran — "It was a good experience to be coached under Mr. Churchill. I gained more confidence."

Don Magues — "I have no regrets about my experiences with football. I tried my best and made a lot of friends and I would do it again if I could."

Chuck Board — "It wasn't a successful season record-wise, but a lot was accomplished. A.K. football seasons in the future look promising."

Eric Cole — "The season for me personally was very rewarding. I achieved a few goals that I had reached. But team wise, I can't say much. We had a lot of problems mentally and with attitudes. Mr. Churchill is a great coach."

Mansfield Kimbro — "I think the underclassmen learned a lot from us, even though we didn't have the season we wanted."

Dallas Homas — "I found my experience as a member of Admiral King's football team to be very rewarding in many ways. I feel as though I associated with a commendable group of people and learned a lot while having fun."

Varsity Girls Tennis

Cindy Dorsey — "This year's tennis team was the best in A.K. history. This was the first time we were city champs."

Linda Diaz — "This season has been the best. It was also the most fun for me."

Varsity Girls Volleyball

Nancy Kelling — "We had a winning season, but more important each player adds its own personality to the team."

Pam Fisher — "These past four years of playing volleyball have left nothing but good memories and a joyful season."

Becky Lee — "I enjoyed playing with the highly skillful girls. It was different."

Sheila Winston — "This season was very good but I feel it could have been better."

Wrestling

Clarence Hughes — "I think the wrestling program would have been better if the higher people would pitch in and help. As one of the seniors, I think everyone who came out was dedicated to stay out. The team's all but still going. We can't be a team without a program."

Tom Wood — "We only had 3 seniors this year. We made the long practices 'fun'. This was the fourth year for us, so we made it a good one."

Dallas Homas — "Although the team left much to be desired this year, I still enjoyed the season as a whole. I looked upon this season as a successful one for me. Since I attained many personal goals in winning the Elyria tournament and in winning the Buckeye Conference. All in all, wrestling is the greatest sport and I'm glad that I had the chance to participate in the program at A.K. for 4 years."

Varsity Basketball

Mike Wicks — "I think we had a very successful year. We had a lot of teamwork and everybody got along well."

Tom Everson — "I think we had a very successful year. But disappointing to us was the loss to Findley and Lorain. But it was fun."

Tony Reed — "It was a fun season. The team had a lot of crazy times. We got it together on the court when we had to. Everybody got along cool."

Ted Flowers — "I think we had a very good year even though we had a disappointing loss to Findley. But we still held our heads high."

Craig Denmyan — "I thought we had a pretty good year. We had a couple tough losses, but we stuck together and came back nicely. More importantly, we won together and lost together."

Paul Vick — "This season, I had the most fun of my 2 years of varsity basketball. Coach Cillam and all the players worked well together on and off the court. We had disappointments this season, but we had many more highlights. It was a successful year, and the team stuck together."

Boys Baseball

Rich Stephanchick — "It was a hard thing being the only senior on the team, since the team needed a lot of leadership. But after all I was satisfied with being able to play. I look for a strong team next year."

Girls Softball

Joanne Brown — "The girls softball team didn't do as well as expected. We really could have done better. We didn't really start to hit the ball until the end of the season. But it was worth the effort."

Girls Basketball

Bonnie Hunter — "In my freshman year I played J.V. Basketball. And when I was a sophomore I had a good year. In my junior year we were city champs, and I received a trophy for most valuable player. My senior year was really great. I've improved a lot since I was a freshman and I'm proud of the team and of myself, and our coach, Mr. Biber."

Boys Tennis

Mark Cole — "I feel that the tennis team this year played a tremendous season, and a great experience for everyone involved. Possibly we can even win the Buckeye Conference next year."

Jim Knezetic — "The tennis team at Admiral King can be very proud of a fine tradition and winning spirit. I can say that Mr. Hicks is one of the fine teachers of tennis in the state of Ohio. I didn't get to play in too many matches during the season but I still enjoyed being on the team."

Boys Track

Dennis Bahb — "I feel we had a very good season. We started out slow, but we finished with a helluva bang."

Jay Pittak — "I thought we had a very good season. Accomplishing what we had planned and after a few changes we finished strong."

Girls Track

Mary Jane Prytulski — "I feel that the Admirals girls track team had a very strong season. We had a lot of girls that made our team mates enjoy coming to practice. It was an all around good year."
